III. PROCEDURE

A. PRISONER PROCESSING

- 1. Detention staff shall receive all prisoners into the detention area, and the prisoners' property will be thoroughly searched per existing procedure.
- 2. The booking officer shall collect contact information, as well as required demographic information, which includes: complete name, date of birth, and place of birth. Verbal responses will be compared to documents and/or identification cards in the prisoner's possession or those found in databases.
- 3. Detention staff will check all prisoners in NCIC for wanted, missing, or other status via the CAD.
- 4. If the prisoner gives an indication, admission, or has documents consistent with being of foreign nationality, detention staff will submit a copy of the booking card to the Communications

Center for the NCIC operator to run an Information Alien Query (IAQ) through the Law Enforcement Support Center. The action taken in this process is noted on the booking card in the section provided for additional remarks (i.e., "IAQ Ran").

5. If an indication of questionable identification is received, detention staff shall contact the applicable Immigration Agency to verify the course of action to be taken.
6. Foreign-born prisoners will be photographed and fingerprinted for identification purposes in accordance with Department Procedure 302.

B. PRISONER FLOW AND CONDITIONS OF RELEASE

- A. All prisoners charged with bailable offenses, regardless of immigration status, will attend a bond hearing within 24 hours of their arrest, as required by S.C. Code Section 22-5-510, unless they can post a bond before the bond hearing. Information regarding the prisoner's immigration status may be shared with and considered by the court at the bond hearing.
- B. When there is reason to believe a prisoner is unlawfully present in the United States, detention staff will contact the Immigration and Customs Enforcement (ICE), Charleston, S.C. Office. If direct contact cannot be made with an ICE agent, the Detention Supervisor shall contact the Law Enforcement Support Center (LESC) or other applicable Immigration Agency. The dates and times of attempted contact with an Immigration Agency shall be documented in JMS.
 - a. The Immigration Agent should be advised of the time of the scheduled bond hearing and that the Detention Supervisor must receive an Immigration Detainer by email or fax within one hour of the bond hearing, or the prisoner may be eligible for release on bond.
 - b. If a bond has been set by the court or if the prisoner's charges do not require a bond hearing, the Immigration Agent should be advised that the Detention Supervisor must receive an Immigration Detainer by email or fax within one hour of the call, or the prisoner will be eligible for release on bond.
- C. Once an Immigration Detainer or Administrative Warrant is received, the prisoner shall be transported to the J. Reuben Long

Detention Center for further screening by Immigration Agents. All applicable paperwork will be transferred with the prisoner, and copies will be maintained in JMS.

- D. In the event the prisoner is being held at the Myrtle Beach Jail for another agency, detention staff shall follow the same protocol as if the prisoner was arrested by our agency.
